Ref.: **Extreme C Dietary Supplement**

Dear Sir and/or Madam:

Pursuant to 21 CFR 101.93, please be advised that Herbalife International of America, Inc. has begun commercializing Extreme C dietary supplement in the United States.

Extreme C is labeled and promoted with statements provided for in section 403(r)(6) of the Federal Food, Drug, and Cosmetic Act.

LABEL

Suggested Serving: One or two tablets per day.

Extreme C contains a unique blend of fruit extracts rich in antioxidants that help fight harmful free radicals and Vitamin C which is necessary for collagen formation.

PRODUCT LITERATURE

Vitamin C is considered by many experts to be one of the most important daily supplements. It is coveted for its many benefits, including a contribution to healthy bones, teeth, blood vessels and the production of collagen.

- Contains an exclusive antioxidant botanical complex that can help protect the body against the harmful effects of free radicals.
- Formulated with a mixture of fruit extracts that help keep Vitamin C in the body and strengthen collagen tissues in the skin and joints.
- Contains citrus and kiwi bioflavonoids which help restore Vitamin C and are essential for the absorption of ascorbic acid.

Product labeling prominently bears the required boxed statement, "These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease."
